

Wesley & Jeanne Drodge Award in Simulation Application Form

Background Information

This award was established by a generous donation from Wesley and Jeanne Drodge. Mr. Drodge was the project manager for the construction of the Health Sciences Centre and Faculty of Medicine in the early 1970s, as well as the expanded Medical Education Centre and Craig L. Dobbin Genetics Research Centre which opened in 2014. As a former healthcare CEO, his interest is in supporting students as they learn to become more proficient in the use of simulation technologies.

Requirements

Applicants must:

1. Be a student in the Undergraduate Medical Education Program.
2. Meet scholarship standing as defined by the university.
3. Write a personal letter (500 word maximum) demonstrating their use and implementation plan of simulation technology on healthcare delivery.
4. Provide proof of attendance of a conference to present their simulation technology use.
5. Complete this application form.
6. Submit all documents via email to ScholarshipsUGME@mun.ca.

Application forms must be signed and completed in full by the applicant. Incomplete or improperly prepared application forms disqualify the applicant from the competition.
