

SCHOOL OF GRADUATE STUDIES (SGS) – WINTER 2025 SCHOLARSHIPS

Tanglers Mental Health Research Conference Travel Award

Deadline: February 3, 2025 (apply to gradawards@mun.ca)

Eligibility: This award was established by a generous donation from the Tanglers Group (est. 1957) of the Rotary Club of St. John's (est. 1921). Rotarians have a long track record of service and of addressing challenging problems in their communities and in the world. For 66 years, the Tanglers Group, comprised of many dedicated individuals and community leaders, supported the major activities and projects of the Club. The group also initiated and undertook many charitable activities in its own right. In 2023, the Tanglers disbanded and its legacy will continue through the Tanglers Mental Health Research Conference Travel Award at Memorial University of Newfoundland.

Valued at a portion of the income on the endowment, it will be awarded annually to any **full-time graduate student from any faculty or school of Memorial University who graduated from a high school in Newfoundland and Labrador** and is attending a conference to present their research on Mental Health. In any given year if there is no successful candidate, the award will be granted to any full-time graduate student from any faculty or school of Memorial University who is attending a conference to present their research on Mental Health. **Preference in both cases will be given to a student who is researching mental health in areas of aging, such as dementia, memory loss, or Alzheimer's disease.** The recipient must meet the minimum academic requirements for an award as defined by Memorial University of Newfoundland.
