

MEDICINE RESEARCH & GRADUATE STUDIES (RGS) WINTER 2024 SCHOLARSHIPS

Deadline: Wednesday, January 24th, 2024

Please use the RGS [Faculty of Medicine – Scholarship Application Form](#) to avoid submitting duplicate components for each of the following scholarships/awards. You can complete the application form, check the awards you wish to apply for, and include one (1):

- cover letter
- CV with a list of appropriate publications and/or presentations
- transcript(s) – unofficial is acceptable
- a research statement with progress to date (or anticipated research goals if just starting your research)
- supervisor (or main advisor) reference letter

Should a scholarship/award require an extra component, it will be listed below under **Application Process** and should be clearly identified as a component of that particular application (for example: *reference letter #2 for Dr. Noreen Golfman Graduate Award*).

The Rose M. Patten Graduate Scholarship in Genetics Research

Deadline: Wednesday, January 24th, 2024 (apply to rgs@mun.ca)

Eligibility:

Awarded annually to a **full-time or part-time graduate student engaged in genetics research** in the Faculty of Medicine on the basis of academic excellence. Preference will be given to students engaged in genetic research associated with the study of cardiology. Preference will also be given to students enrolled in the **PhD program**; however, if there are no suitable candidates in this program, **students enrolled in the Master's program will be considered**. Financial need of candidates may be considered where possible.

Application Process:

Students must submit a [Faculty of Medicine – Scholarship Application Form](#) to the Research & Graduate Studies (RGS) Office, Faculty of Medicine (rgs@mun.ca).

Value: \$1,218
