**CHILD**

## **CODE AMBER MISSING/ABDUCTED CHILD**

An announcement of Code Amber indicates that a child has been abducted or has otherwise gone missing. Response from MUN occupied areas is as follows:

- Listen to the announcement for details of the missing child
- Remain on alert for the child, who may have simply wandered into other building areas
- Report to Campus Enforcement and Patrol if the child is found in your work/study area (864-4100)

### **If you become aware of a missing child:**

If a child client is determined to have gone missing or to have been abducted follow the procedures below:

- Call Campus Enforcement and Patrol (864-4100), who will begin perimeter securement and search procedures immediately, as well as contact Eastern Health Security.
- Search for the child in the immediate and adjacent areas.
- Follow all directions of the Police and Security.
