1810 14 aug trinity ct jas sued by mrs ash late wife of andrew
taverner for possession of house, store house and garden.

he possessed in from his FATHER JOHN brine- who got a
court award in 1787 putting him in possession in dispute with
the late andrew taverner.

Defence witnesses say brine did not own this particular
land before 1787 and that since then JN the father had taken it and
built a house and store. 1787 case was about a chimney being
built on to Brine house which AND TAVERNER said was an encroachment.

VERDICT FOR HIM and the defence.
