1761 10 jan farley journal news constantine ~~arrat~~ in late oct going  
for naples met with fr pteer "famous capt arnoux" came down on him fired  
a broadside and boarded him. privateers gib boom and bowsprit came agst  
his main mast, the pteer lost his boom and bowsprit and about  
40-50 men were drowned or killed. the pteer then fell off and engaged  
some time but afterwards made off. the constantine received great  
damages in her sails and rigging but had only two men wounded
