HELLINS (hellings
18~~xx~~ 1777 19 sep lab docs vol III 395. CHAS and his crew
were hired by geremiah coglan as furrier and salmoniers
on NE side of coast of labrador on shares. at PARTRIDGE
BAY- had had success on 4 aug went northward of the mealey
moi mountains to look for better place- found a
bay about 20 leagues north of mealey mountains good for
winter furring and cod/salmon in summer- no english subject
ever discovered or used it before. THEY to be secure in
their possession (employed by coglan)
