**A WIKIKI LITTA**

Richard Vatcher of Milton Abbey Dorset (born 1780) was married at Lamaline October 24, 1816 to Martha Caines (a sister of my great great grandfather) They had at least two children born there but then moved to the Burgeo area and their are records of several children baptized by Archdeacon Wix. I assume the Vatchers in the Rose Blance-Isle Aux Morte areas are all descendents.
