

2018 AGM

Annual General Meeting

MUNPA held its Annual General Meeting on Thursday, June 7, at The Fluvarium with approximately 80 members in attendance.

MORNING SESSION

[The Population Project: Projections and Responses](#)

Presenters: Dr. Rob Greenwood, Dr. Alvin Simms and Dr. Keith Storey of the Harris Centre's Population Project.

Read Steve Wolinetz's [summary](#) of the Harris Centre's very informative presentations on the future trends of Newfoundland and Labrador's population.

LUNCH

We enjoyed a delicious lunch of Chicken Pot Pie or vegetarian option served by the wonderful Fluvarium catering staff.

AFTERNOON SESSION

The afternoon was devoted to the annual general meeting. As usual, we elected a new slate of officers and board of directors, now available on our [Board of Directors](#) web page.
