## Post-Grading Assessment

Course Name:

Course Instructor:

Grade I predicted I would get on the exam: \_\_\_\_\_%

Grade I received on the exam: \_\_\_\_\_%

Current overall mark in this course: \_\_\_\_\_%

On a scale from 1-10,  
how content are you with  
your grade:

---

### What were hurdles to your success?

Calculation error	Misread instructions	Ran out of time or rushed through the exam
Grammar/spelling error	Misunderstood the question	Technical difficulties
Information/data error	Missed entire questions or pieces of the exam	Did not have/bring all materials/items required
Unfamiliar topics, themes, or concepts	Incomplete answer, chart, diagram, formula, etc.	Illegible writing or drawings

---

Which study strategies did you find most helpful and would reuse again for your next exam?

Which new study strategies would you like to try using in preparation for your next exam?

What habit or action did you find unproductive or problematic to your success?

What is your goal for your next exam? For this course?
