## **School of Music Workplace Health and Safety (WHS) Committee**

M.O. Morgan Building, Memorial University  
St. John's, NL A1C 5S7

It is our belief that, through educational programs, investigation of problems and resolution of these problems, the workplace will be healthy and safe for all workers. We acknowledge that proper functioning of the Workplace Health and Safety Committee can only be carried out where representatives of both management and staff are committed to these responsibilities. We adapt these guidelines in good faith and agree to promote and assist the Workplace Health and Safety Committee whenever possible.

Co-Chair for Management: Lisa McDonald      Title: Senior Administrative Officer
