Real Homes – Front Step

- **Lloyd**

- 365 days of homelessness: 329 days in emergency shelters; 36 days in institutional setting
- Moved into a one-bedroom apartment
- Initially struggled but engaged with supports
- Goal: find employment
- Started work with Clean Start: recognized for his determination and work ethic

POSITIVELY SPOTLESS

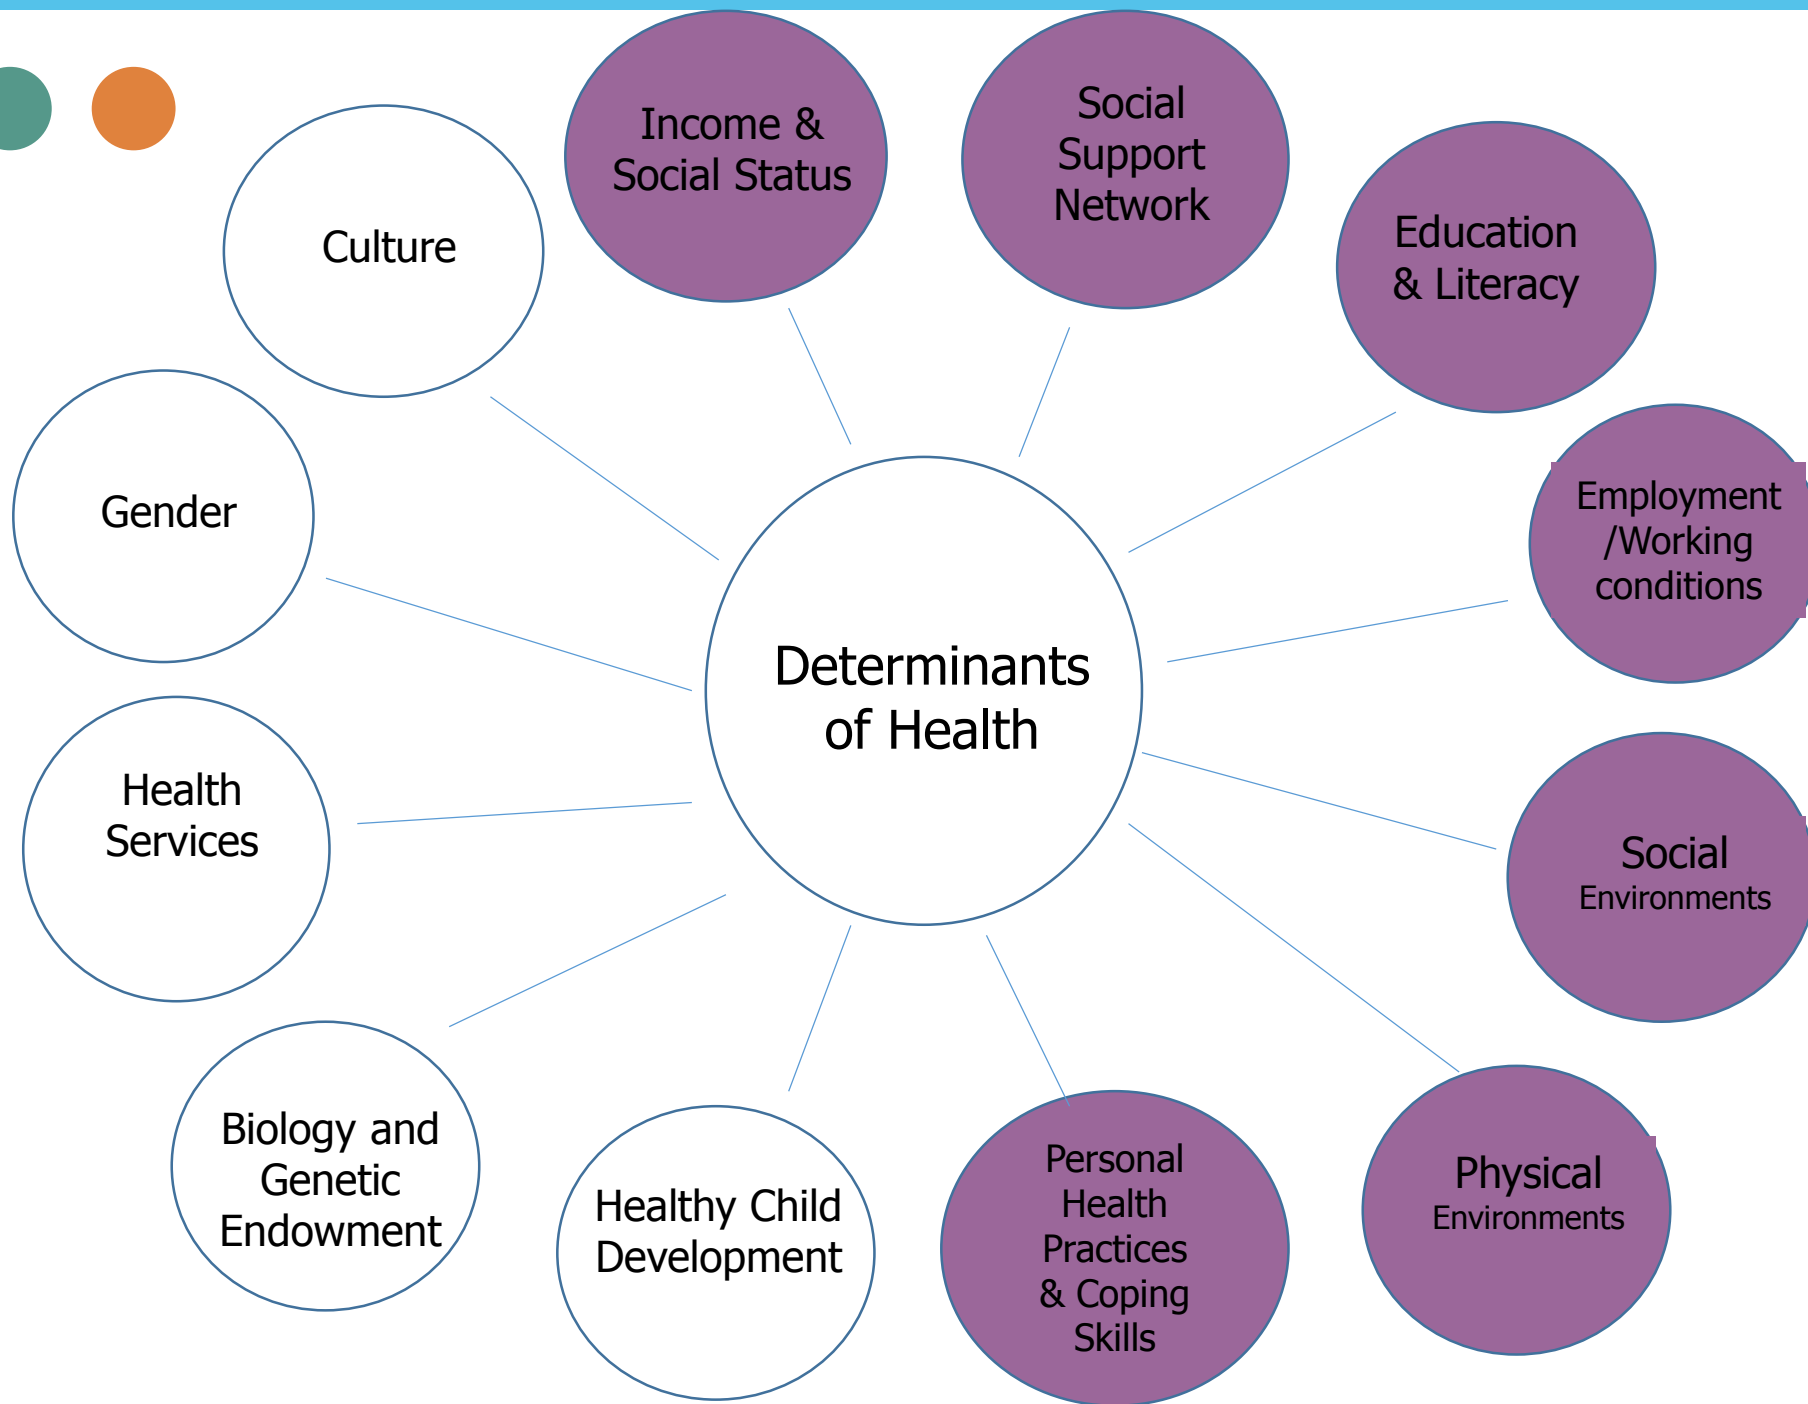

The best social program is a job.
Clean Start, an initiative of Stella's Circle, helps individuals gain the skills required to obtain meaningful employment in the office cleaning and maintenance business.

If you need office cleaning and want to help your community, **Clean Start is your solution.**

● ● ● Real Work – Social Enterprise

- John
 - Participated in pre-employment groups and work placements
 - Worked alongside our staff
 - Barriers to her success – ability to deal with change, anxiety, financial unpredictability re labour market transitions
 - Went from working a couple of hours a week with SC staff to working independently

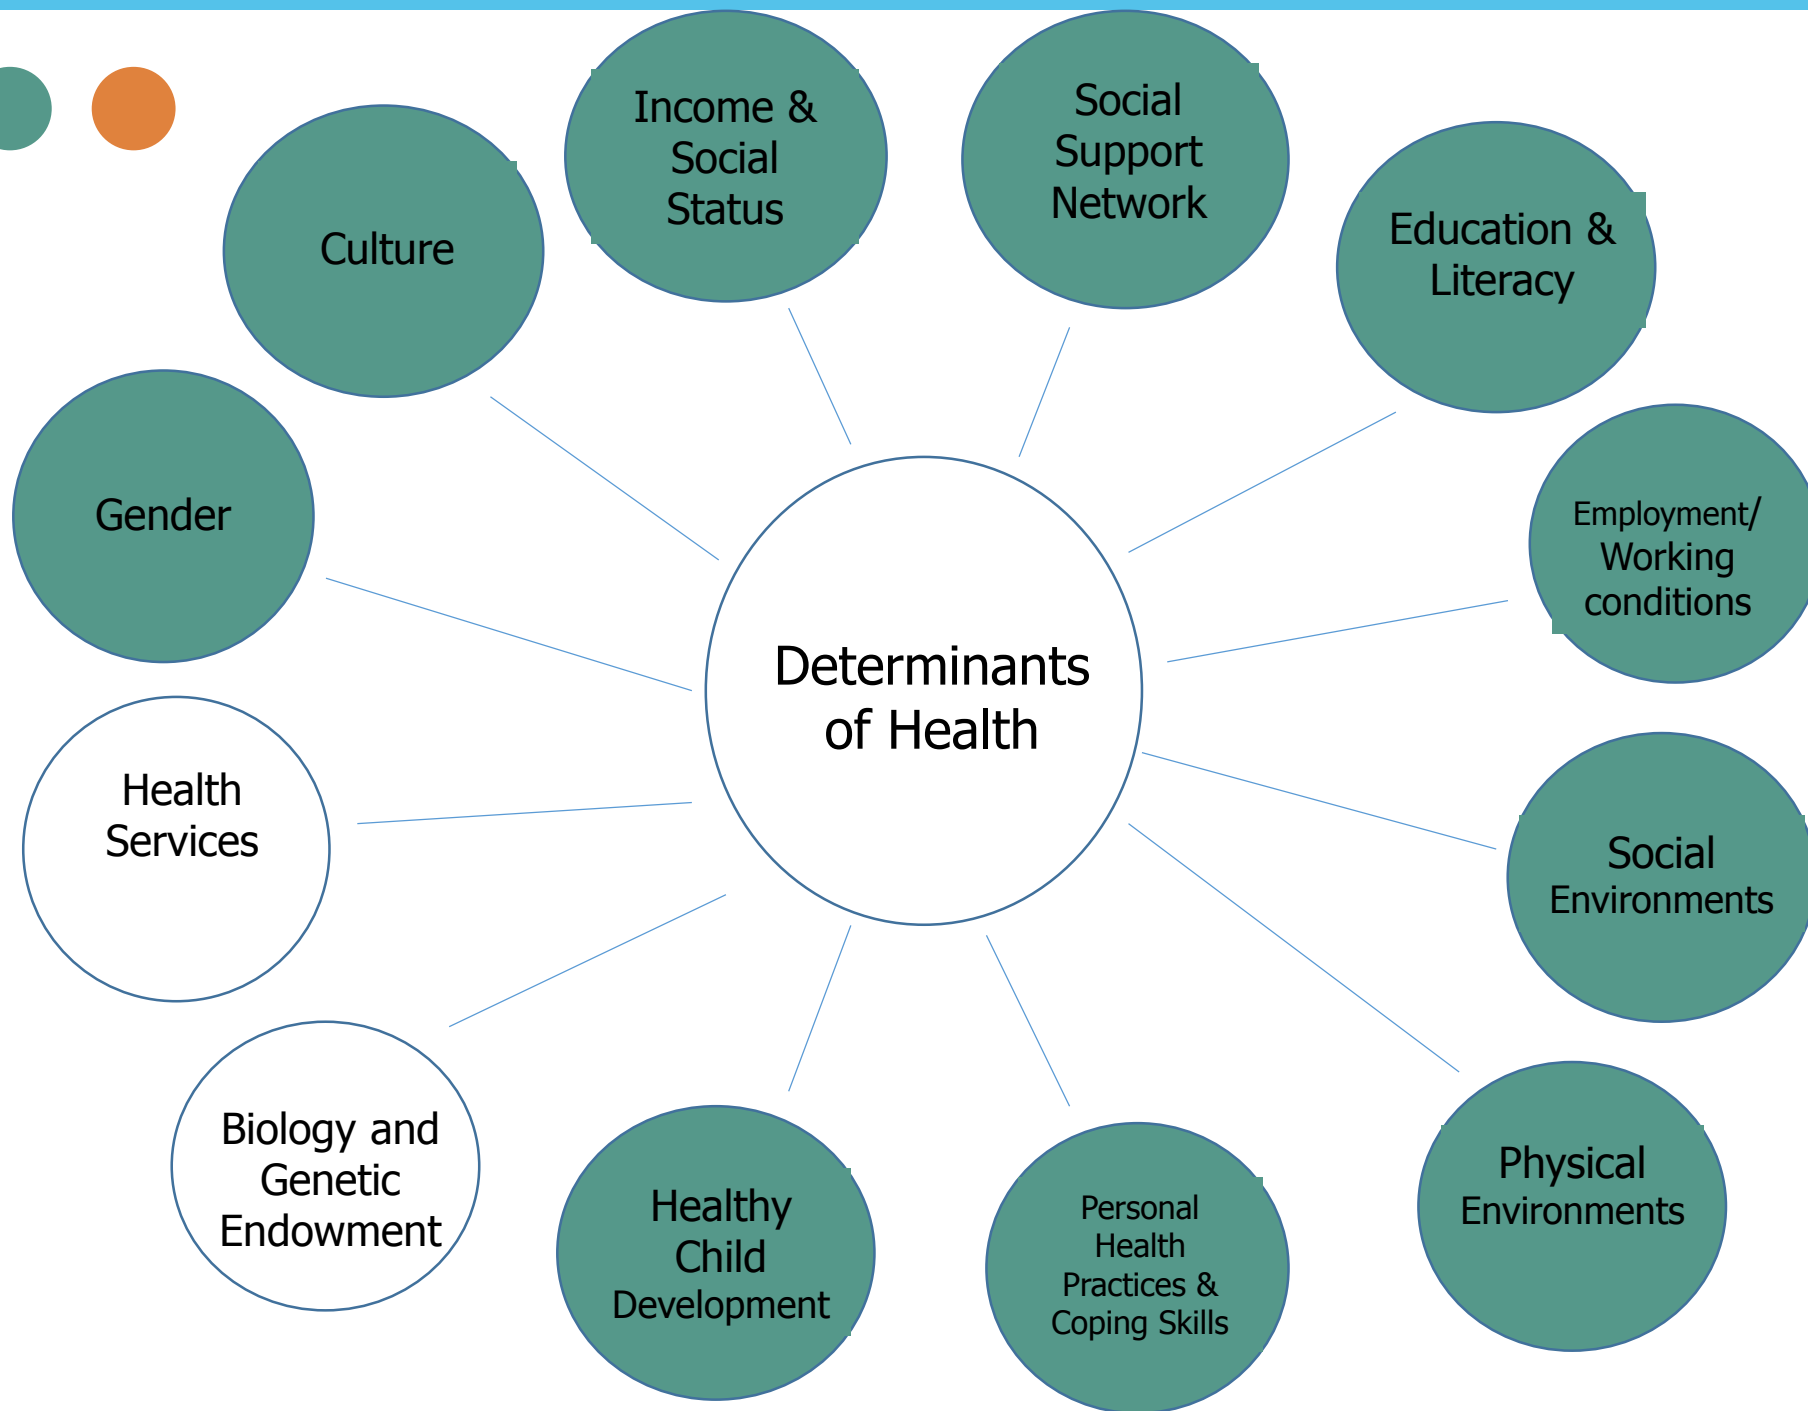

Real Help – Just Us

- Average age 36
- Aboriginal 11%

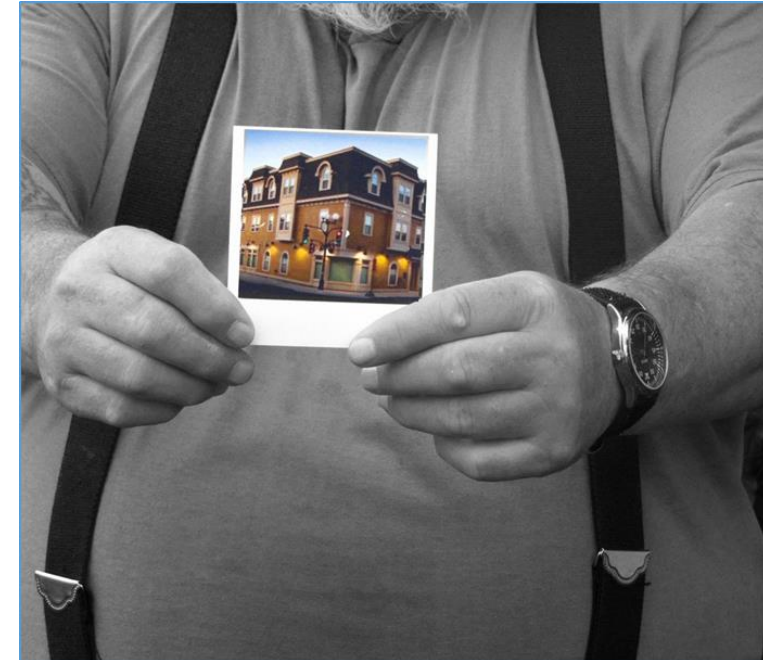

● ● ● Real Help – Just Us

● ● ● Points to Ponder

- Determinants all interact and must be considered together
- Some determinants have greater impact than others
- True integration of response is critical
- Importance of strong community and community organizations
