

Bottled Ocean

Materials:

2l pop bottle

Scissors

Tape

Sand

Shells

Paper

Markers

Pipe cleaners

Instructions:

1. Cut the top off of a 2L pop bottle. Use tape to cover the sharp edges.
2. Fill the $\frac{1}{4}$ of the bottle with sand and decorate with shells. Stick pipe cleaner into the sand to make seaweed.
3. Draw and colour marine animals. Cut them out and tape them on the inside of the bottle.
