Faculty of Science
Department of Ocean Sciences
Per-Course Appointment (50%)

The Department of Ocean Sciences invites applications from individuals interested in teaching 50% of the course OCSC 2100 / CHEM 2610 Introductory Chemical Oceanography in the Winter 2027 semester.

Subject to budgetary restrictions and sufficient enrolments, appointments will be made on a course-by-course basis and will not entail any obligation to conduct research or to perform any administrative service for Memorial University. Appointments will be made in accordance with the provisions in the MUN-LUMUN Collective Agreement. Course design and evaluation methods for all courses will be in accordance with the Department of Ocean Sciences regulations and the Memorial University Calendar.

Course Title: OCSC 2100 / CHEM 2610 - Introductory Chemical Oceanography

Course Schedule: Monday, Wednesday, Friday Slot 03 – 10:00-10:50 am

Campus Location: St. John's campus

Course Description: An introduction to the fundamental chemical properties of seawater and the processes governing the concentrations of elements and compounds in the oceans. It is an introduction to the sources, distribution, and transformations of chemical constituents of the ocean, and their relation to biological, chemical, geological, and physical processes. Topics include controls on average concentration of chemicals in the ocean; vertical and horizontal distributions of ocean constituents; air-sea interactions; production, export, and remineralization of organic matter; the ocean carbon cycle; human-induced changes; stable isotopes; and trace elements. For further information regarding this course, please visit <https://www.mun.ca/osc/undergraduates/program-resources-and-course-syllabi/>

Qualifications: PhD in related discipline and post-secondary teaching experience.

To apply for this position:

Please submit a letter of application, curriculum vitae and the names and contact information of three referees, electronically or in writing to:

Dr. Pat Gagnon
Head - Department of Ocean Sciences
Faculty of Science
Tel: (709) 864-3276
Memorial University of Newfoundland
St. John's, NL, A1C 5S7
Email: jsgreening@mun.ca

Salary: As per the MUN-LUMUN Collective Agreement

Closing Date: Friday, October 16, 2026

All qualified candidates are encouraged to apply; however, Canadian citizens and permanent residents will be given priority.

Memorial University is committed to employment equity and diversity and encourages applications from all qualified candidates, including women; people of any sexual orientation, gender identity, or gender expression; Indigenous peoples; visible minorities, and racialized people; and people with disabilities.
