IMPORTANT NOTES

PHAR 5251 & 5271 is delivered over 10 weeks. Please refer to the dates outlined in course syllabi as it pertains to each PHAR 508P group (e.g. for March 11-23, PHAR 508P Group A will do a 2-week PPE rotation first followed by 2 weeks of class; while PHAR 508P Group B will do 2 weeks of class during that time, followed by a 2-week PPE rotation March 25 – April 3)

PHAR 5275 and 5640 is delivered over 8 weeks. Classes end during the week of March 4-8, 2024

PHAR 508P (PPE IV) is completed full-time in two 2-week blocks at the end of the semester as follows:

Group A (half of the class): March 11-23, 2024

Group B (other half of the class): March 25-April 5, 2024

**508P/APPE Meetings held weekly between January 10 and April 3, 2024
