Faculty of Science
Physics & Physical Oceanography
Per-Course Appointment

The **Department of Physics & Physical Oceanography** invites applications from individuals interested in teaching **PHYS 1050** in the **Fall 2026** semester.

Subject to budgetary restrictions and sufficient enrolments, appointments will be made on a course-by-course basis and will not entail any obligation to conduct research or to perform any administrative service for Memorial University. Appointments will be made in accordance with the provisions in the MUN-LUMUN Collective Agreement. Course design and evaluation methods for all courses will be in accordance with the Physics & Physical Oceanography regulations and the Memorial University Calendar.

Course Title: PHYS 1050 – General Physics I (Mechanics)

Course Schedule: Monday/Wednesday/Friday (10:00 -10:50am)

Campus Location: St. John's Campus

Course Description: calculus-based introduction to mechanics. The course emphasizes problem solving, beginning with a review of vectors and one-dimensional kinematics. The main part of the course covers motion in two dimensions, forces and Newton's Laws, energy, momentum, rotational motion and torque, and finally oscillations. There is a laboratory associated with this course.

For further information regarding this course please visit www.mun.ca/physics

Qualifications: Applicants are required to have a PhD in Physics (or equivalent, MSc in Physics with appropriate academic/professional experience related to the course content). Previous experience in teaching undergraduate Physics is desirable. Applicants should specify the course they are applying to teach. Applicants should submit curriculum vitae and the names and contact information for three references.

To apply for this position:

Please submit a letter of application, curriculum vitae and the names of referees, electronically or in writing to:

Dr. Len Zedel
Head, Physics & Physical Oceanography
Faculty of Science
Tel: (709) 864-8738 Fax: (709) 864-8739
Memorial University of Newfoundland
St. John's, NL, A1B 3X7
Email: physicssec@mun.ca

Salary: As per the MUN-LUMUN Collective Agreement

Closing Date: August 10, 2026

All qualified candidates are encouraged to apply; however, Canadian citizens and permanent residents will be given priority.

Memorial University is committed to employment equity and diversity and encourages applications from all qualified candidates, including women; people of any sexual orientation, gender identity, or gender expression; Indigenous peoples; visible minorities, and racialized people; and people with disabilities.
