Faculty of Science
Physics & Physical Oceanography
Per-Course Appointment

The Physics & Physical Oceanography department invites applications from individuals interested in teaching PHYS 1020 in the Fall 2022.

Subject to budgetary restrictions and sufficient enrolments, appointments will be made on a course by course basis and will not entail any obligation to conduct research or to perform any administrative service for Memorial University. Appointments will be made in accordance with the provisions in the MUN-LUMUN Collective Agreement. Course design and evaluation methods for all courses will be in accordance with the Physics & Physical Oceanography regulations and the Memorial University Calendar.

Course Title: PHYS 1020 – Introductory Physics I

Course Schedule: Slot 16

Campus Location: St. John’s Campus

Course Description: Algebra based introduction to Newtonian mechanics. Topics covered include motion in one and two dimensions, Newton's laws, momentum, energy and work, and rotational motion. Previous exposure to physics would be an asset but is not essential.

For further information regarding this course please visit www.mun.ca/physics

Qualifications: Applicants are required to have a PhD in Physics (or equivalent, i.e. a MSc in Physics with appropriate academic/professional experience related to the course content). Previous experience in teaching undergraduate Physics is desirable. Applicants should specify the course they are applying to teach. Applicants should submit curriculum vitae and the names and contact information for three references.

To apply for this position:

Please submit a letter of application, curriculum vitae and the names of referees, electronically to:

Dr. Len Zedel
Head, Physics & Physical Oceanography
Memorial University of Newfoundland
St. John’s, NL, A1B 3X8
Tel: (709) 864-8738 Fax: (709) 864-8739
Email: physicssec@mun.ca

Salary: As per the MUN-LUMUN Collective Agreement

Closing Date: July 18, 2021

Memorial University is committed to employment equity and diversity and encourages applications from all qualified candidates, including women; people of any sexual orientation, gender identity, or gender expression; Indigenous peoples; visible minorities, and racialized people; and people with disabilities.
