Teaching Term Appointment Position in Physics  
(8-month term, 2022-2023)

Grenfell Campus, Memorial University of Newfoundland, is located in Western Newfoundland in an area of great natural beauty in close proximity to Gros Morne National Park, a UNESCO World Heritage Site. The Campus has a population of about 1,400 students and emphasizes innovative approaches to teaching and learning, research and engagement. Experiential learning, impactful research and strong community relationships are the hallmarks of Grenfell’s profile.

Memorial University as a whole and Grenfell Campus in particular are taking action to foster a culture of equity, diversity, inclusion, Indigenization, and anti-racism, to achieve greater diversity of cultural background, perspectives, and experience. Grenfell Campus is located in traditional Mi’kmaw territory, and we acknowledge with respect to the diverse histories and cultures of the Beothuk, Mi’kmaq, Innu, and Inuit of this province.

The School of Science and the Environment at Grenfell Campus seeks applications for an 8-month teaching term appointment commencing September 01, 2022 and ending April 30, 2023. This position supports the teaching of six courses throughout the Fall and Winter semesters of 2022-2023.

Duties will include teaching in support of a B. Sc. with a major in physics, a minor in physics in other programs, and a physics stream in an interdisciplinary degree program in General Science. We seek candidates with demonstrated experience in teaching first-year physics (algebra-based and calculus-based), second-year physics (e.g. fluids and thermodynamics, computational physics) and lab-based courses. Candidates should have a Ph. D. (or near completion) in physics and relevant formal teaching experience, or a completed M. Sc. in physics, with relevant formal teaching experience.

Applications should include (a) a cover letter, (b) curriculum vitae, (c) a teaching dossier including teaching philosophy, and (d) the names and contact information of three referees. Candidates are encouraged to submit their applications in electronic form. Please send your application to: Dean, School of Science and the Environment, Grenfell Campus, Memorial University of Newfoundland, Corner Brook, Newfoundland, Canada A2H 5G4, by email: ssedean@grenfell.mun.ca

The deadline to receive applications is 5:00 p.m. on Friday, April 22, 2022.

All appointments at Memorial University are subject to budgetary approval. Salary will reflect qualifications and experience in accordance with the Collective Agreement governing faculty at Memorial University of Newfoundland.

All qualified candidates are encouraged to apply; however, Canadian citizens and permanent residents will be given priority. Please indicate in your application if you are a Canadian citizen or a permanent resident of Canada.
Memorial University is committed to employment equity and diversity and encourages applications from all qualified candidates, including: women; people of any sexual orientation, gender identity, or gender expression; Indigenous peoples; visible minorities and racialized people; and people with disabilities.
