

# Careers in Meteorology

Wednesday, Feb. 14<sup>th</sup>

1:00-1:50pm

Room C2045

Presented live from Edmonton via Webex  
by  
**Mariette Kulin, Senior Meteorologist**

## Interested in becoming a Meteorologist?

Join us for a presentation and Q&A session about careers in operational meteorology at the Meteorological Service of Canada. Mariette Kulin, Senior Meteorologist with the MSC's Training and Career Development Division, will present an overview of meteorologist recruitment and career streams. Information about education paths and training programs for meteorologists will be provided. For background information about careers with the MSC, check out this website: [Become a Meteorologist at Environment and Climate Change Canada - Canada.ca](https://www.canada.ca/en/environment-climate-change/services/become-a-meteorologist-at-environment-and-climate-change-canada.html) (QR code below). Can't make it in person? RSVP to [saika@mun.ca](mailto:saika@mun.ca) for Webex invitation.
