Reference: PSYC-2021-07-6633-001

Applications are invited from qualified individuals who are interested in being considered for a position as a per course instructor teaching Psychology 6633 *Clinical Psychopharmacology* in fall semester 2021 on the St. John's campus. The course schedule will be determined by the Psy.D. Program Director in consultation with the instructor. The Calendar description is:

6633 Psychopharmacology examines the theoretical basis for the action of psychoactive medications and reviews empirical evidence concerning their effectiveness and side effects across the lifespan.

Required qualifications: (1) A demonstrated knowledge of the specific topics noted in the course description; (2) a doctorate in a relevant discipline (e.g., pharmacy; psychology; clinical neuroscience); and (3) Demonstrated experience with medications in clinical psychology. Preference will be given to applicants who have appropriate provincial registration/licensure.

Applicants should send a letter of application, curriculum vitae, evidence of effective teaching, and the names of three references in electronic form to: psychology.head@mun.ca

If electronic submission is not possible, applicants may send the information to:

Head, Department of Psychology
Memorial University of Newfoundland
St. John's, NL A1B 3X9

The deadline for receipt of complete applications is 4:00 PM, 09 July, 2021.

All qualified candidates are encouraged to apply; however, Canadian citizens and permanent residents will be given priority. Memorial University is committed to employment equity and diversity and encourages applications from all qualified candidates, including women; people of any sexual orientation, gender identity, or gender expression; Indigenous peoples, visible minorities, and racialized people; and people with disabilities.
