Engage Memorial Fest 2014

Wednesday, February 12, 2014, 10am-2pm St. John's Arts & Culture Centre Concourse

Welcome to **Engage Memorial Fest**, a day of sharing, learning and connecting.

Thanks to everyone — students, staff, faculty and members of the public — who have come together for this event to learn about existing, and potential, collaborations between Memorial and our public partners.

Please stay, enjoy a coffee at the Engagement Café, sit in on a presentation, and talk to people who are putting Memorial's Public Engagement Framework into practice.
