

**ASSOCIATE VICE-PRESIDENT RESEARCH
(COLLABORATIONS AND PARTNERSHIPS)**

Applications and/or nominations are invited for the position of Associate Vice-President Research (Collaborations and Partnerships). The appointment will be effective **April 4, 2011** for an initial term of five years and is renewable by mutual agreement, subject to review.

The Associate Vice-President Research (Collaborations and Partnerships) will:

- have responsibility for the University's major research partnerships with external partners and stakeholders;
- work with the Vice-President (Research) and other academic leaders on the implementation of Memorial's Research Plan;
- identify and pursue emerging opportunities to establish new partnerships in strategic sectors;
- oversee the management of major institutional research activities through the Office of Collaboration and Partnerships;
- work with external funding agencies to maximize research opportunities for Memorial; and
- ensure successful commercialization of technologies, products and services in collaboration with the Genesis Centre and related organizations.

The successful candidate will be a senior academic who has demonstrated a strong commitment to research as well as successful experience in university administration. Letters of application and/or nominations, accompanied by the candidate's curriculum vitae and the names of at least three referees, should be received no later than **February 25, 2011**.

Candidates confirmed by this deadline will be assured of consideration. Please respond in confidence to:

Dr. Christopher Loomis
Vice-President (Research)
Arts and Administration Building, Room A-2021
