

Feedback Form

Please provide us with feedback on our Ergo-Team information package entitled “A Team Approach: Participatory Ergonomics and Your Workplace.” Please comment on the three different parts of the package:

1. How to Implement an Ergo-Team Approach to Participatory Ergonomics – User’s Guide
2. Implementing an Ergo-Team Program for Participatory Ergonomics: Training Workbook and Tools for Ergo-Team Members
3. A Team Approach: Participatory Ergonomics and Your Workplace (promotional video)

Section 1: “How to Implement an Ergo-Team Approach to Participatory Ergonomics” User’s Guide
1) Please describe your experience using this User’s Guide.
2) Please outline any sections of the Guide where there is information you think needs to be adapted or expanded upon. Are there particular sources you recommend including in this information package?
3) Additional comments

Section 2: “Implementing an Ergo-Team Approach to Participatory Ergonomics: Training Workbook and Tools for Ergo-Team Members”
1. Was there a proper progression of training within the workbook to match your objectives at the workplace? If not, please explain how you would adapt the progression.
2. We rely on the expertise of ergonomists to help supplement the training process. Are there particular approaches, information packages or tools you used to help train your Ergo-Team that could improve this set of tools?
3. Additional comments

Section 3: Video - “A Team Approach: Participatory Ergonomics and Your Workplace”

1. Was this video effective at explaining the participatory ergonomics approach for stakeholders at the enterprise?

2. Explain how you used the video tool. Who was involved in the viewing(s)? Which individuals or groups were most interested in the video?
