## **General Travel Scholarships/Bursaries/Awards**

**Arthur and Sonia May Scholarship:** The scholarship, valued at \$5,000, has been established by Arthur and Sonia May on the occasion of the University's 50th Anniversary as a degree-granting institution, and in gratitude for the outstanding experience they enjoyed as students. It will be awarded to a student who has completed at least two years of a degree program at Memorial University of Newfoundland and who has been accepted to attend a recognized university outside Canada for one or two semesters of study for transfer credit to Memorial University of Newfoundland towards completion of his/her undergraduate degree. **Students must apply in writing to the Scholarships and Awards Office, Room 1002, Arts Building. Please include a copy of your resume as well as proof of your acceptance to a University outside Canada.**

**Coca-Cola Scholarship for International Studies:** This scholarship, valued at the annual interest on its endowment, has been established from contributions to the University's *Opportunity Fund* Campaign by The Coca-Cola Foundation. It will be awarded to a student who has completed at least two years of a degree program at Memorial University of Newfoundland and who has been accepted to attend a recognized university outside Canada for one or two semesters of study for transfer credit to Memorial University of Newfoundland towards completion of his/her undergraduate degree. **Students must apply in writing to the Scholarships and Awards Office, Room 1002, Arts Building. Please include a copy of your resume as well as proof of your acceptance to a University outside Canada.**

**Scotiabank Bursaries for International Study:** These bursaries, funded by a generous donation from Scotiabank to *The Opportunity Fund*, are intended to help students broaden their educational experience and cultivate an international perspective through study abroad while pursuing studies in the Faculty of Humanities and Social Sciences at Memorial University of Newfoundland. The bursaries will be valued at a portion of the income on the endowment. The undergraduate bursaries will be awarded on the basis of scholarship standing to full-time students who are participating in one of the overseas Field Schools or study abroad opportunities sponsored by the Faculty of Humanities and Social Sciences. These include the Humanities and Social Sciences semester in Harlow (every Fall) as well as Summer programs at Harlow, UK and in other countries, with a preference for those in which Scotiabank operates. In addition, students wishing to participate in formal exchange programs through the Faculty of Humanities and Social Sciences, will also qualify. In the case of undergraduates the bursaries will be awarded by the Senate Committee on Undergraduate Scholarships, Bursaries and Awards. The bursaries will be awarded on the basis of a recommendation from the Dean, Faculty of Humanities and Social Sciences.

The above noted scholarships require that you have **Scholarship Standing** - It is defined as a 75% average at the end of two out of the last three semesters at Memorial University in the previous scholarship year and the successful completion of not less than thirty credit hours in those two semesters. Students who fail one or more courses in a scholarship year will not be eligible for scholarships. Not all students who meet the above definitions of scholarship standing will receive a scholarship.
