

ENVIRONMENTAL SCIENCE GRADUATE PROGRAM
Recommendation for PhD Comprehensive Examination Committee Voting Members

The Examination Committee will consist of five voting members. They are the Program Chair (or delegate from the Board of Study), the Supervisor, and three other members of which only one may be a member of the Supervisory Committee. A Co-supervisor can serve as the other member of the Supervisory Committee on the examination committee. The Head of the Department of the Supervisor (or delegate) or another member of the Board of Study is normally invited to serve on the committee.
