Dr. Wilfred Zerbe
Dean
Faculty of Business Administration

Dear Dr. Zerbe:

I am following up on communications from the Planning and Budget Committee regarding the Faculty of Business Academic Program Review. I understand that a response to your action plan was not forwarded to the Business faculty. I am, therefore, writing to confirm that the Planning and Budget Committee (PBC) considered the academic program review of the Faculty of Business and wishes to express its appreciation to the Faculty for its participation in this process.

We look forward to receiving your one year update.

Sincerely yours,

David M. Wardlaw
Provost and Vice-President (Academic)
