1. Minutes for Dec.15 meeting

Approved

2. Case 13

Status: Current NL high school student, anticipated graduation June 2022

Reason for appeal: missing academic math

Early admission avg: can't be calculated due to missing academic math

Intended program: unspecified

Semester applied: Fall 2022

Decision: Pending review of mid-year grades

3. Case 14

Status: Previous BC high school student, graduation June 2021

Reason for appeal: missing grade 12 lab science

Final admission avg: can't be calculated due to missing lab science but 92.25% without the lab science

Intended program: B.MUS

Semester applied: Fall 2022

Decision: Forward application to School of Music for evaluation without the lab science requirement. Final admission to the University will be contingent on admission the B.MUS.
