1.1 Case 3 from August 14 meeting, has an updated graduation status. Applicant with extenuating personal/family situation originally didn't meet the number of high school credits to graduate and was missing the academic math requirement because they dropped back to general Math 3202. Since then the Department of Education has changed the graduation status on her transcript to graduated.

MOTION S. Sullivan/ M. Islam

RESOLVED that applicant be admitted since the intended program of social work doesn't require math, the overall academic performance is strong and the applicant has now met graduation requirements.

RESOLVED that the missing Math 3201/3200 requirement be waived and the admission average be calculated based on four courses.
