SUBJECT: VOLUNTEERS/NOMINATIONS FOR SENATE COMMITTEES

The Committee on Elections and Committees has been assigned responsibility for recommending to the Senate, nominees to fill committee vacancies. Between now and the Fall, the Committee will be nominating members for Senate committees, commencing September 2020.

The current membership of the standing committees is attached, and the terms of reference for the various committees can be found at http://www.mun.ca/senate/senate_committees.php.

We can accept both volunteers and nominations. If you are interested in volunteering for any of the committees, please signify with a check in the appropriate space and return the form by **February 27, 2020**, to **Tom Nault, Office of the Registrar**. Nominations require the signature of the nominee and one eligible voter. You do not need to be a member of Senate to be on a Senate Committee.

In addition to recommending membership of the standing committees, it is necessary from time to time to make recommendations for members of ad hoc committees. Please indicate if you would be interested in serving on such committees.

Please note that in filling the various committees we "strive to nominate committees with an appropriate balance among constituencies Efforts shall also be made to include both male and female members, faculty from both junior and senior ranks, and members of the target groups in accordance with the University's equity policies."
