REGULAR AGENDA

The Chair invited Dr. Sullivan, Chair of SCUgS to introduce Item #7.1.

214. 7.0 **Report of Senate Committee on Undergraduate Studies**

7.1 **Proposed Calendar Changes – SCUgS**

Proposed:

- Add a specific reference to the academic offences regulations which speak to the use of generative artificial intelligence, including a
 - secondary calendar change to revise the School of Graduate Studies section 4.12.4, which relates to academic misconduct and the use of Generative Artificial Intelligence.
- Add a statement to clarify the permissible use of assistive tools in the regulations governing the course syllabus.

The Senate Committee on Undergraduate Studies (SCUgS) approved a motion to create a joint sub-committee in Winter 2023 semester, with members from both the Teaching and Learning Committee and SCUgS, to delve into how artificial intelligence tools such as Chat GPT can impact teaching practices and how best to mitigate any negative effect these tools may have. Next steps for the sub-committee include development of definitions for the Calendar Glossary as well as a position statement on the use of detection software, and to clearly define the sub-committee's Terms of Reference for the future as an ongoing sub-committee of Senate.

Discussion/Questions: None.

RESOLVED: That Senate approve the proposed calendar changes regarding item #7.1 as presented in the attached Senate package of materials.

It was moved by Mr. E. Kendall, seconded by Dr. G. George, and carried that Senate approve these calendar changes. No members opposed the motion. One member abstained from the vote.

The Chair invited Dr. McKivior to introduce Item #8.1.

215. 8.0 **Recommendations of the Senate Committee on Elections, Committees and By-Laws (SCECB)**

8.1 **Nominations re: Speaker of Senate -- Update**

Dr. McKivior advised that at the regular Senate meeting held on February 13, 2024, it was resolved that Senate approve amendments to the Senate By-Laws to introduce the roles of Speaker of Senate and Deputy Speaker of Senate. The first request for nominations or volunteers to fill the Speaker and Deputy Speaker of Senate role went out on Newsline-Newspost on March 27, 2024. The deadline for nominations is set for Thursday, April 25, 2024. Dr. McKivior noted that a reminder is scheduled for Newsline-Newspost prior to the

deadline, and if Senators have any questions about these positions, they should feel free to contact senate@mun.ca.

Discussion/Questions: none.

216. 9.0 **Motion – Senate Standing Committees – Election of Chair**

9.1 **Notice of Motion Received from Dr. E. Kendall at Senate meeting of March 12, 2024.**

Background as provided by Dr. Kendall: It is noted that certain Standing Committees have appointed or default Chairs. These appointments are contrary to democratic principles and may limit the engagement of other members of Senate. It is proposed that Standing Committee Chairs be elected annually.

Whereas Senate approves the structure and composition of its standing committees;
And whereas the structure of some Standing Committees is at variance with sound democratic actions;

Therefore, be it resolved that each Standing Committees of Senate annually shall elect a Chair and other necessary officers at a time convenient for the business of that committee.

RESOLVED: That each Standing Committee of Senate annually elect a Chair and other necessary officers at a time convenient for the business of that Committee regarding item #9.1 as presented in the attached Senate package of materials.

It was moved by Dr. E. Kendall and seconded by Mr. N. Keough, that Senate accept the motion.

Discussion/Questions -- Comments from Senators:

Dr. McKivor, University Registrar and Interim Secretary of Senate asked Mr. B. Hammond to act as Interim Secretary of Senate during the discussion of item #9.1. Dr. McKivor then, as University Registrar, a voting member of Senate, proposed amending the motion put forward by Dr. Kendall.

Dr. McKivor reminded Senators that on May 9, 2023, Senate accepted a report from the ad hoc Senate Governance Review committee. Recommendation 3.4 of the report was to “propose a two-stage revision process for Senate’s committee structure”. The rationale of this recommendation encouraged thoughtful engagement with stakeholders, to “foster a culture that exemplifies organizational values” and suggested “Senate committees should regularly review their membership, terms of reference, workflow processes, and workload, per the literature review” that was provided at the time. It was felt by the ad hoc committee that our “committee structures are due for a comprehensive review by the Senate as it must consider all options to become more effective and engaging to help lead Memorial forward. This review process is intricately connected with the previous EDI-AR & Indigenization recommendation” that was also included in the report.

Until such time as a complete and thorough review can take place, the Terms of Reference for the Senate Committee on Elections, Committees and By-Laws (SCECB) provide for that committee to "To recommend for Senate approval the structure and terms of reference of Senate standing committees, and any other committees as requested by Senate". SCECB recently supported and recommended to Senate an amendment to the Planning and Budget Committee's terms of reference to allow that committee to elect its own chair in September of each year. To this point, no other committee has made this request for consideration.

Dr. Kendall has included in his background material that "Specific chair appointments are contrary to democratic principles and may limit the engagement of other members of Senate". The intention of the amendment is not to disparage democratic practice, it is to highlight that Senate should review the overall committee structure to address multiple questions. By accepting the ad hoc governance review committee recommendation in May 2023 for a whole-scale review of Senate standing committees, there is opportunity to consider all elements of committee makeup, remit and applicability.

Having provided background rationale, Dr. McKivior proposed the following:

Whereas Senate approves the structure and composition of its standing committees; and whereas Senate has previously accepted on May 9, 2023 the recommendation that a revision process for Senate's standing committee structure takes place.

Therefore, be it resolved that beginning in May 2024, each of Senate's Standing Committees' Terms of Reference be considered as part of the revision process accepted by Senate in May 2023.

RESOLVED: That beginning in May 2024, each of Senate's Standing Committees' Terms of Reference be considered as part of the process accepted by Senate in May 2023.

Further Discussion/Questions -- Comments from Senators:

- The goal and spirit of Dr. Kendall's motion was to invigorate the democratic processes within Senate.
- It was noted that from time-to-time Senate may choose to give direction to standing committees.
- Each year Senate standing committees must review and submit proposals for changes to their terms of reference, if appropriate. The proposed changes must be approved by the Senate Committee on Elections, Committees and By-Laws, which sends its recommendations forward to Senate.
- Each year a committee member stands for election or re-election and in most cases that includes annual election of a committee chair.
- There are a few committees in which the process of annual election is not followed, and it was noted that goes against democratic tenets.
- In a democratic system a Standing Committee's chair should not be appointed defacto due to their position, but rather elected by the members of the committee.
- Since the Senate voted and agreed to undergo a wholesale review of its standing committees, why don't we let that process finish instead of pulling select pieces of the review out now?
- There was concern about how long the fulsome review of Standing Committee would

take, and Senators suggested that Standing Committees could begin the process of electing chairs annually, and if in the future observed good reasons to end the practice, they could propose to Senate a return to the current system.

- Some Senators suggested that the amendment to the original motion would essentially stop the original motion altogether and as such they stated that the amendment was not share the spirit of the original motion. As such, those members stated that according to Robert's Rules the motion to amend should have been ruled out of order.

It was moved by Dr. L. McKivior and seconded by Ms. M. Broders, but the motion was defeated, and no amendments were made to Dr. Kendall's original motion.

Having been duly moved by Dr. E. Kendall and seconded by Mr. N. Keough, it carried that Senate approve the motion that "each Standing Committee of Senate annually elect a Chair and other necessary officers at a time convenient for the business of that Committee". 24 members opposed the motion, and three members abstained from voting.

217. 10.0 **Recommendation of the ad hoc Committee Concerning the Ode to Newfoundland during the University's Convocation Ceremonies**

10.1 Interim Report.

The Chair noted that there has been a lot of coverage on the topic of pausing the Ode to Newfoundland at our convocations, both for and against. The topic raises strong feelings on both sides. As such, the Executive Committee considered the idea of conducting a paper-ballot system for voting on this agenda item. It is proposed that for those in the room, ballots be distributed and collected and for those online, a poll be launched, so that the process is anonymous.

Senate By-Law IV. C. Rules of Order, Section 3. states that *Voting shall be by show of hands, unless otherwise specified in these bylaws. Motions to provide for other methods of voting require the consent of the majority of the members present and voting.*

Resolved, that Senate agree to conduct any votes pertaining to the Ode to Newfoundland by way of an anonymous balloting system.

It was moved by Mr. C. Couturier, seconded by Dr. J. Lokash, and carried that Senate adopt an anonymous balloting system for voting on this particular agenda item.

In addition, given the nature of the topic it was felt that Senate may wish to allow the observers in the audience an opportunity to speak, which contravenes the bylaws of Senate and therefore also requires a vote. **Senate By-Law IV. E. Observers, Section 3.** indicates *Observers are not permitted to speak at meetings of the Senate.*

Resolved, that Senate agree to allow observers speaking rights for the duration of the discussion in this meeting pertaining to the Ode to Newfoundland.

It was moved by Dr. J. Lokash, seconded by Ms. M. Broders, and carried that Senate allow observers speaking privileges for this particular agenda item.

The Chair invited Dr. M. Woods, as an elected Senator on the committee to speak on item #10.1.

Dr. Woods advised that the *ad hoc* Committee of Senate Concerning the Ode to Newfoundland during the University's Convocation Ceremonies prepared a Preliminary Report per its Terms of Reference (updates approved March 12, 2024). Contained in the report is the committee's interim recommendation as noted in item #10.1 of the attached Senate agenda package.

Discussion/Questions -- Comments from Senators:

- It was noted that the *ad hoc* committee hopes to complete consultations on this issue before the next convocation cycle (October 2024), but given the scale of consultation that the *ad hoc* committee is considering there is a distinct possibility that timeline is unrealistic.
- A member asked to hear from Dr. Purchase, whose motion followed on the agenda and was in opposition to the current motion.
 - Dr. Purchase spoke to his motion and explained that he would withdraw his motion if the current motion to continue the pause was approved.
- Some members of the *ad hoc* committee were attending the Senate meeting and spoke on behalf of the recommendation, stating in particular that voting down the motion was a form of silencing the diverse voices of those who were selected to complete the *ad hoc* committee's mandate and of those who have made Newfoundland their home but whose forefathers may not have stood upon the pineclad hills before them. More than that, the Ode ignores the history and culture of those whose lands these were prior to colonial settlement.
- It was suggested that the Ode, and indeed the convocation ceremonies, should be compatible with the Land Acknowledgement. To that end, it was suggested that the Ode should be temporarily reinstated as a means to bridge the gap between the University and Government. The Government and University should work together to amend the Ode so that it does truly reflect the sentiment of acknowledging the ancestral lands of those people who called our province home prior to colonial settlement.
- A member of the student union noted that most students seem more concerned with graduation requirements and consider convocation a degree granting exercise. They do not appear to be overly concerned with how the ceremonial aspects of the event play out.
- It was also noted that more than 50% of Memorial's Graduate Students are currently international, not domestic.
- As an educational institution, Memorial should not be afraid to propose changes to the Ode. We should be the intellectual leaders of the province. We are committed to EDI&AR and should not select only those situations where it is convenient to represent its tenets. We need to be equitable, diverse, inclusive and anti-racist in all that we do, and that might mean modernizing rather than removing the Ode.

RESOLVED: Given that the ad-hoc committee concerning the Ode to Newfoundland at Memorial's convocation ceremonies has not completed consultation in order to make a more informed proposal, it is recommended that the pause on the Provincial Anthem of Newfoundland & Labrador (Ode to Newfoundland) be continued for the next cycle of convocation ceremonies (May 2024), while Senate awaits the final committee report as presented in item #10.1 in the attached Senate package of materials.

It was moved by Dr. M. Woods, seconded by Dr. J. Sinclair, and carried that Senate accept the preliminary report of the ad hoc committee and approve the recommendation to continue the pause on the Provincial Anthem for the next cycle of convocation ceremonies. 21 members opposed the motion and two members abstained from the vote.

218. 11.0 **Motion - Recommendation that the Pause on the provincial Anthem of Newfoundland and Labrador (Ode to Newfoundland) is temporarily lifted for the next Cycle of Convocation Ceremonies (May 2024)**

11.1 Notice of Motion Received from Dr. C. Purchase dated March 27, 2024.

Dr. C. Purchase withdrew the motion to temporarily lift the pause on the singing of the Newfoundland Provincial Anthem during the next convocation ceremony.

219. 12.0 **Communication to Senate**

12.1 Communication Received from Dr. D. Gill in Accordance with Senate ByLaw IV.B.1.

- *Senate as the supreme academic body of the university reserves the right to initiate discussion and debate on any matter falling within its constitutional purview, and to receive for consideration in the first instance representations from any source, internal or external to the University.*

Dr. McKivior provided a brief explanation of how Senate came to receive the communication. There was a discussion on how the correspondence should be received and if it should become a part of Senate's official record.

Members of Senate agreed to accept the correspondence for information only and to provide no follow-up actions. The letter will remain as a part of the publicly accessible Senate agenda package, but would not be added to the minutes of the meeting.

Discussion/Questions -- Comments from Senators:

220. 13.0 **Remarks from the Chair of Senate – Question/Comments from Senators.**

Dr. N. Bose, Chair of Senate and President and Vice-Chancellor, *pro tempore* advised that he did not have any further updates for Senate.

Given that Mr. Glenn Barnes, Chair of the Board of Regents, had agreed to update Senate on the status of the Presidential Search Committee, and given that it was almost 6:00 pm, the Chair asked for a motion to extend the meeting of Senate by 30 minutes.

It was moved by Dr. C. Couturier, seconded by M. Broders, and carried that Senate would extend the meeting by 30 minutes to allow time for the Chair of the Board of Regents to update senators on the Search for a new University President.

221. 14.0 **Remarks from the Deputy Chair of Senate – Question/Comments from Senators**

The Chair invited Dr. J. Lokash, Deputy Chair of Senate to speak.

The Chair of Senate, and Interim University President, Dr. N. Bose, then left the meeting.

The Deputy Chair of Senate welcomed Mr. Glenn Barnes, Chair of the Board of Regents, to Senate to provide an update on the Presidential Search. She reminded Senators that during the December 12, 2023, Senate meeting a motion was approved to allow Mr. Glenn Barnes, Chair of the Board of Regents, speaking privileges at Senate for the duration of the current Presidential search process.

Dr. Lokash invited Mr. Barnes to speak.

Mr. Barnes thanked Dr. Lokash for the invitation to present an update on the search for Memorial's next President and Vice-Chancellor. He noted that in the spirit of collegial governance, he was pleased to join the meeting to share the latest information on the Presidential search process.

He advised that the terms of reference and membership structure for the Presidential Search Committee (PSC) was approved (comprised of students, faculty, staff, regents, and a member of the public – with 4 Senators: Dr. Lourdes Peña-Castillo, Cyr Couturier, Dr. Johnathan Pope, and Dr. Sylvia Moore), and the first PSC meeting was held on Friday, April 5, 2024.

He shared some decisions from this meeting: members met each other, reviewed the Presidential Search, Selection and Appointment policy and procedures, and reviewed the steps and schedules of recent past presidential searches in order to decide on the type of search support required. The PSC would be seeking the services of a professional search consultant. Also, the PSC agreed to form a sub-committee to develop a request for proposals from interested firms and evaluate proposals received, giving particular attention to the cost-benefit of each.

Mr. Barnes noted that for more information about the PSC to refer to the website: <https://www.mun.ca/regents/presidential-search/>

Discussion/Questions:

- A member expressed concern about the expertise and the cost OF using an outside search consulting firm.
- Did the PSC look at alternative search support options?
 - Mr. Barnes noted that the University's Human Resources department does not currently have the capacity to conduct fulsome searches for presidential candidates. The PSC weighed the advantages of hiring external consultants, and as a group made the decision to contract out that aspect of the search. Mr. Barnes reminded Senate that four Senators are among the members of the PSC and had been a part of the decision-making process.

Dr. Lokash thanked Mr. Barnes.

222. **Any Other Business:**

Dr. Lokash asked Senators if there was any other business.

- A student Senator advised that Memorial University of Newfoundland Students' Union (MUNSU) would be hosting a Town Hall forum on Monday, April 22, 2024, at the Breezeway Café and Bar. Government leaders and University administrators; namely: The Hon. Krista Lynn Howell, Minister of Education; Mr. Tony Wakeham, Official Opposition; President Bose, Mr. Glenn Barnes, Chair of the Board of Regents, Mr. Earl Ludlow, Chancellor. All Senators were welcomed to attend.
- A student Senator advised that MUNSU stands with all Palestinian students who are currently watching a genocide unfold in their home country. It is important that government officials and university administration take steps to support all those affected by the Israeli occupation of Palestine and the recent siege in Gaza. The student Senator expressed concern that Memorial has not made public statements to admonish the Israeli treatment of people in the Gaza strip, and further that Memorial appears to continue upholding business relationships with companies associated with Israel.

223. **Adjournment:**

It was moved by Dr. P. Dold and seconded by Dr. T. Brown and carried that the meeting of Senate be adjourned. The meeting adjourned at 6:07 pm.

3. BUSI 4550 Fundamentals of Corporate Finance

ABBREVIATED COURSE TITLE

1. BUSI 3550 Introduction to Finance
3. BUSI 4550 Fundmntls of Corp Finance

RATIONALE

Faculty members who teach in the discipline of finance have met and propose several changes to finance courses to better align with content coverage and to increase elective accessibility.

Changes to prerequisite structure

BUSI 3550 is the core finance course required for all undergraduate business programs. The content is such that it serves as a foundation for all other elective finance courses. It is the opinion of content experts in the area of finance that students can succeed in any of the current finance course offerings provided that they have successfully completed BUSI 3550. As such, the proposal is to update the prerequisite structure to ensure that BUSI 3550 is the only prerequisite requirement to existing finance electives.

Changes to course titles

- It is proposed that *BUSI 3550 Financial Management I* be renamed to *Introduction to Finance*. This is a core course for undergraduate programs and serves as the foundation for all other finance courses. This name is a better reflection of content and intention of the course. In addition, the course is not part one of a two part course, but rather, it is a standalone course the provides students with an introduction for main concepts in the finance area.
- It is proposed that *BUSI 4550 Financial Management II* be renamed to *Fundamentals of Corporate Finance* to better align with content of the course. Also given the proposed name change to BUSI 3550, this course is not

sequential and thus the name *Financial Management II* no longer makes sense. In addition, the proposed renaming clearly identifies that the course will cover topics related to Corporate Finance, as is consistent with the course description.

Other changes

- A minor editorial change is proposed to the course description of BUSI 4550 to reflect that it is not an extension of BUSI 3550.
- The course description for BUSI 4560 *International Finance* has been updated to reflect the content that is required for a course in international finance.
- BUSI 5530 *Public Finance* has not been offered since 201002 (Winter 2011) and the Faculty has no intention of offering it again, so it should be removed from the calendar.
- Note that the calendar description used for BUSI 4545 Options and Futures is that which was approved by SCUGS in February 2024.

Additional note

- Faculty members who teach in the discipline of finance agree that BUSI 5550 *Advanced Finance* is vague and leaves too much room for interpretation by the instructor. In addition, the group agreed that the course no longer fits with the new structure outlined in this proposal. Therefore, the group has proposed to move this course to inactive and introduce new special topics courses in finance that will cover specific areas such as Behavioural Finance and Sustainable Finance. As such, the FBA's Academic Programs Office has worked the Registrar's Office to label this course as inactive.

ANTICIPATED EFFECTIVE DATE

Fall 2025 with the publication of the new calendar, although any changes to pre-requisites will be implemented following Senate approval if it benefits the student.

Subject: Re: Faculty of Business Administration Calendar Change Proposal (Finance Courses)

Hi Ken,

In response to the call for feedback that was recently circulated, Grenfell Business has reviewed the course changes proposed to a number of finance courses by our colleagues at the Faculty of Business Administration, and we have no concerns with the proposal; I have copied the FBA's Committee on Undergraduate Studies here for its information.

While it is beyond the scope of this proposal, and recognizing that it would require a review of the entire calendar entry for FBA courses, we did want to note that based on our own recently Senate-approved program changes, we were permitted to distinguish between FBA and Grenfell business courses through the use of course acronyms "BUSI" (for FBA courses) and "BUSN" (for Grenfell Business). The FBA already identifies its courses by "BUSI," and uses "Business" to denote a Grenfell business course. To clarify the distinction for students, it may be worth considering either using a similar convention (i.e., in this proposal, for the course description of BUSI 3550, replace the credit restriction

"Business 3500" with "BUSN 3500," and for description for BUSI 4550, replace the credit restriction "Business 3510" with "BUSN 3510"), and/or clarifying the statement in the Calendar under [11 Course Descriptions](#) to read: "All courses of the Faculty are designated by BUSI; business courses at Grenfell Campus are designed by Business/BUSN."

Kind regards,

Julie
