

MEMORIAL UNIVERSITY OF NEWFOUNDLAND

Academic Council
Meeting of October 19, 2023 (via email)

Members of Academic Council, School of Graduate Studies, were asked to review the following item of business, via email, for approval:

Two new special topics courses for the ID PhD program.

- INTE 7006 Academic Ableism: Directed Readings and Critical Disability Evaluation
- INTE 7007 Critical Disabilities Policy Creation: Crip Arts Practice with The Rooms

As these are special topics courses in the ID PhD program, and because it is housed in SGS, they require the approval of the SGS Academic Council.

It was moved by C. Walsh, and seconded by S. Ganz that the proposed INTE special topics courses be approved. The Motion (1-abstention; 22 yeas)
