

## FELLOW OF THE SCHOOL OF GRADUATE STUDIES

The title of Fellow of the School of Graduate Studies is awarded in recognition of outstanding academic achievement throughout a graduate program. It may be awarded only once, during the last year of a student's graduate program.

This distinction will be noted on the student's Memorial University transcript. Nominations must be submitted to the Dean of Graduate Studies by the heads of academic units at least one month prior to Convocation, i.e. April and September.
