# Call for Expressions of Interest: Advisory Board Member (3-year term)

The Centre for Social Enterprise at Memorial University seeks a new member for its Advisory Board. Join our governance team for a three-year term, beginning on July 1, 2026. This is an exciting opportunity for a committed, innovative leader in social enterprise and/or social innovation to help guide one of the province's key supports for creating social impact.

## Who we're looking for:

Applications are invited from individuals who:

- Are innovative and strategic thinkers, driven by curiosity, and excited by collaboration for community-focused solutions
- Have significant depth and breadth of both work experience and professional networks in the provincial and/or national social enterprise sector
- Are knowledgeable in one or more areas including: social finance and impact investing, systems thinking, social innovation, non-profit leadership and governance, community development.

The preferred candidate will be passionate about designing opportunities that enhance the Memorial University student experience, while driving value for local social enterprises and community organizations. We welcome applicants from all areas of the province. Hybrid meetings will be offered.

## Board Commitment:

**Term:** Three years (July 1, 2026 to June 30, 2029)

**Meetings:** Three per year (offered in hybrid format)

**Duration:** Approximately 2 hours per meeting

Contributions: Strategic insights; sector expertise; advice on partnerships and ecosystem development; guidance on educational programming; assistance in advancing the Centre's mission.

Please note, this is a volunteer governance role, with no fiduciary responsibility.

## How to apply

Interested individuals are invited to submit:

- A cover letter outlining your interest, and relevant experience or perspectives
- A current resume or CV

Please send your application to [socialenterprise@mun.ca](mailto:socialenterprise@mun.ca) by **9:00 am on Monday, May 11, 2026.**

## About the Centre for Social Enterprise

Built on a unique partnership between the Faculty of Business Administration, the School of Social Work and the School of Music, the CSE has a mandate to nurture social entrepreneurs, strengthen social enterprise and drive social innovation in Newfoundland and Labrador.

The Centre for Social Enterprise uses existing resources at Memorial in different ways to support existing social enterprises, create new ones and promote social enterprise education.

Since its official launch in 2017, the CSE has established itself as a hub of expertise and activity on social enterprise and social innovation with a wide network of collaborators and partners both in the province and beyond.
