

Graduation Committee

Graduation may seem to be a long way off but it does have a tendency to creep up on us. Regardless what your class would like to avail of for your graduation, it will cost money. The sooner you start fundraising for your grad, the more money you can raise. The Grad Committee will take on this huge undertaking and will work collaboratively with the social reps and other classmates to make your graduation a roaring success! The graduation committee is made up of three to six members appointed by the ASWS committee from a pool of volunteers of the graduating year.
