How to Submit Your MUCEP Funding Application

Step-by-Step Instructions

PLEASE NOTE: You must have an Orbis account in order to continue with this application process. If you do not have an account please contact Mher Mardoyan (mmardoyan@mun.ca) or Robert Ryan (rwryan@mun.ca) for account set up.

This document outlines the steps and provides screen shots to guide in the process of submitting a MUCEP request for funding application(s) for the 2022-2023 academic year. If you encounter any issues, please contact Mher Mardoyan (mmardoyan@mun.ca; muc@mun.ca) or Robert Ryan (rwryan@mun.ca) for assistance.

1. Open Google Chrome (do not use Internet Explorer) to the following site: https://crm.stuaff.mun.ca and click Login then click Staff.

2. On the next screen, enter the license plate portion of your email (e.g., rwryan@mun.ca, license plate portion would be rwryan) and password. If you do not know this information, click Login and then click Forgot Password. Enter your Login ID (license plate portion of your email), then click Email Rest Password Link. You will receive a password reset email.
3. After you have updated your password (if needed), you can proceed to post the Job/Funding Request. In the left-hand pane, select “Career Development Center”.

4. In the same left-hand pane under the expanded menu of “On-Campus Employment” then select MUCEP.
5. On the next screen, in the expanded menu under MUCEP select MUCEP Job Postings.

6. On this screen, select the blue-colored **Post a Job** button located near the middle of the screen.
7. On this screen, start the process of entering the job information (which includes the requested number of positions and hours). Of great importance on this page is the **job number**. In this example, it is 77603. Your screen may appear a little different in newer versions of the software, but the process is exactly the same.

If your first name, last name, and email are not automatically filled in, click the blue-colored “Change Organization Contact”. In the popup box, enter your username and select your name from the drop-down list. Your information should now be filled in.
8. Continue to scroll down the job posting page. If unsure of any selection or data to fill in, read the related instructions (located close to the question area) for more information.

An important part of MUCEP is the experience students gain through the process of applying for and being interviewed for a position. As a group short-listed for positions to be interviewed prior to a final decision being made. The exception is the winter semester when the same student can.

17. The PDF application will open with the details of the MUCEP funding request. Print the PDF and have this form signed/dated by the Department Head. Please don’t forget to print your name too. Scan to the attention of Mher Mardoyan at mucep@mun.ca.
