

Career Development provides students with a variety of career-related tools, resources, and supports that promote academic, personal, and professional success. We facilitate the delivery and implementation of:

- Career Information
- Programming
- Networking
- Experiential Learning Opportunities.

Appointments

Exploring Careers

Are you a student who is unsure of which program or career path you would like to take? We can help you navigate the career planning process. Connect with a Career Advisor to get started with this exciting process of self-exploration and unlock your future.

Finding Job Opportunities

Are you looking to find a job on-campus, off-campus or upon graduation? Are you feeling overwhelmed with your job search? Connect with a Career Advisor to learn effective strategies that will help guide you through a successful job search.

Perfecting your LinkedIn Profile

Not quite sure how to create the “perfect” LinkedIn profile? Connect with a Career Advisor to review your profile and explore how to better market yourself, build your network, and find jobs through LinkedIn.

Interview Preparation

Do you want to become an interview superstar? Connect with a Career Advisor for a mock interview to gain practice communicating your skills/experiences and to help settle those pre-interview jitters.

Breaking Barriers to Employment

Are you a student who is experiencing barriers to finding or maintaining employment? Connect with a Career Advisor to explore possible ways to reach your full potential and achieve your career goals.

Drop-in Resume and Cover Letter Clinics

Need to work on your resume or cover letter? Attend a peer-led resume and cover letter clinic. The clinics are led by trained peer career advisors who will meet with you to provide feedback on your resume and cover letter. Check our website for the schedule.

Please note the following:

- These clinics are for resume and cover letter critiques only (not CV critiques);
 - Critiques provided will be approximately 15 minutes in length;
 - **Bring a printed copy of your resume and cover letter** with you to the clinic;
 - Our office is a scent-free environment. Please refrain from wearing scented products at the clinics.
-

Drop-In Workshops

The following rotating career-related workshops are held every Wednesday at 1:00-1:45 pm at UC 4002:

Creating your LinkedIn Profile

Come learn about the guidelines for creating your LinkedIn profile and explore how you can use LinkedIn to market yourself, to build your network, and to find jobs.

Job Search Strategies

Searching for a job can be a full-time job. Come learn effective strategies for navigating the job search process.

Resume and Cover Letter Tips

Come learn how to write an effective resume and cover letter that can catch employers' attention and get you a job interview.

Interview Skills

Do you get the interview jitters? Do you need any advice on interview etiquette? Come learn about the interviewing process and how to answer behavioural and situational based questions.

Events

Check out the calendar on the Student Life website (www.mun.ca/student) to find upcoming events hosted by Career Development.
