

TODO LIST

The first day of class is TUESDAY, SEPT. 6

1. SET UP MUN LOGIN

- MUN Login is your gateway to access online services like email, Self-Service, online learning and more. Visit www.mun.ca/student-setup to get started.

2. FALL COURSE REGISTRATION

- Learn how to register for courses at www.mun.ca/regoff/registration/guide/. Register for Science 1807 and 1808 if required as prerequisites for lab science courses. More information available at: www.mun.ca/science/undergraduates/laboratory-safety-for-students.

3. ACADEMIC INTEGRITY

- After you register for your first semester courses, you'll be automatically enrolled in Integrity 1000, which you must pass before you can register for your next semester. Read more at www.mun.ca/undergrad/first-year-information/academic-integrity.

4. MUN 101

- Our orientation and transition program helps first year students adjust to university life and get set for success. You will be automatically registered for MUN 101. You can find it in your Brightspace list of courses. Learn more at www.mun.ca/munup/orientation.

5. MATH PLACEMENT TEST (MPT)

- Students must have the required grade 12 math score to enter first year courses. Some students may need to take the MPT. Read more at www.mun.ca/math/mpt.

6. CALCULUS PLACEMENT TEST (CPT)

- Newfoundland and Labrador students who completed Math 3208 (Calculus) in high school should check www.mun.ca/math/cpt after March 15, 2022 for updates on CPT administration.

7. ACADEMIC SUCCESS CENTRE

- Whether studying on campus, online or remotely, it's your hub for information, tips, tools, programs and events that will help you succeed in your learning. Check out all the resources at www.mun.ca/asc.

GET ADVICE

If you have any questions about course selection, contact an academic advisor:
