STUDENT TRAINING

Student	Degree	Project	Year
Stacey Parsons	MHKR	Corrections in NL	2025 (est)
Ashley Moore	MSc(Kin)	Evaluating leisure education with pediatric disease prevention	2023 (est)

¹ I proposed and designed the above courses to meet the National Council on Therapeutic Recreation Certification (NCTRC) requirements. There were no courses in Therapeutic Recreation when I joined HKR. The above courses are required for students to be eligible to write the certification exam in recreation therapy.

² I proposed and designed the above courses for delivery in the MHKR program. In 2018, as the Associate Dean, SHKR, I lead the expansion of the Masters of Physical Education to a Masters of Human Kinetics and Recreation. This required the addition of new and relevant rotating electives.
